

# GOVERNMENT AGENCIES

as established by the Constitution of the Colonial Government of Star System 354-PA

- **COLONIAL DEPARTMENT OF DEFENSE**

*Minister of Defense*

The Colonial Department of Defense oversees the military forces and intelligence services needed to deter war and ensure the colony's security, working closely with the USSC and other United States military agencies.

- **COLONIAL DEPARTMENT OF JUSTICE**

*Attorney General*

The Colonial Department of Justice oversees the enforcement of federal and colonial laws and the administration of justice within the borders of the colony.

- **COLONIAL DEPARTMENT OF SECURITY**

*Minister of Colonial Security*

The Colonial Department of Security ensures public security within the colony by overseeing anti-terrorism efforts, border security, immigration and customs and cybersecurity.

- **COLONIAL DEPARTMENT OF RESOURCES**

*Minister of Colonial Resources*

The Colonial Department of Resources is meant to supervise the efficiency and sustainability of the colony's harvesting of natural resources, including minerals, water and biological substances, including agricultural products.

- **COLONIAL DEPARTMENT OF COMMERCE**

*Minister of Commerce*

The Colonial Department of Commerce promotes economic development, supports investment and safeguards the economic security of the colony and its financial institutions.

- **COLONIAL DEPARTMENT OF DEVELOPMENT**

*Minister of Development*

The Colonial Department of Development is meant to supervise the immediate establishment and urban planning of settlements within the new colony, particularly the construction of residential areas and government and military structures.

- **COLONIAL DEPARTMENT OF LABOR**

*Minister of Labor*

The Colonial Department of Labor is responsible for administering federal and colonial laws governing occupational safety and health, wage and hour standards, unemployment benefits, reemployment services, and workers' rights throughout the colony.

- **COLONIAL DEPARTMENT OF SCIENCES**

*Minister of Science*

The Colonial Department of Sciences exists to promote and support the growth of research and scientific education within the new colony through grants, scientific safety standards and the promotion of discovery and development.

- **COLONIAL DEPARTMENT OF THE INTERIOR**

*Minister of the Environment*

The Colonial Department of the Interior protects and manages the natural resources and environment of Star System 354-PA, promoting sustainability and minimizing human impact.

- **COLONIAL DEPARTMENT OF HUMAN SERVICES (HEW)**

*Minister of Health, Education and Welfare (HEW)*

The Colonial Department of Human Services oversees the general welfare of colonial citizens, including social services, educational opportunities and medical practices that best safeguard a high quality of life for all.
